

EARLY CHILDHOOD LEADERSHIP PROGRAM

FACE TO FACE SESSION

nscC
Cumberland Campus

Early Childhood Development
Support Centre

We invite you to join us for a face-to-face workshop where we will reflect on our experiences as the first participants in the Early Childhood Leadership program, do a little learning to hone our skills further, and meet the learner colleagues who helped us along the way.

Time	Item
9:00am-9:15am	Introductions, agenda review and questions
9:15am-11:30am	Practice your SMART skills (SMART goal setting practice). Participants might consider bringing their action plans and use this as an opportunity to create SMART goals.
11:30am-12:30pm	Working lunch, workshop series feedback and debrief in small groups
12:30pm-2:00pm	Financial Management Fundamentals. A review of the most relevant information you require in your daily practice.
2:00pm-3:00pm	Time Management. Explore our biggest time wasters and create a personalized strategy to avoid the “time suck”.

This session will be free for participants currently enrolled in the Early Childhood Leadership Training Program. For those directors or assistant directors who are not currently in the program but would like to gain experience in the topics mentioned or who want to get a feel for the Early Childhood Leadership Program before enrolling in the Fall 2019, there would be a fee of \$10.00. Lunch and snacks provided. Pre-registration is a must. To register please contact Krista Smith at krista.smith@nscC.ca or (902) 597-4406. Limited space available. This counts as 6 PD hours.
