

Die Cuts

In an effort to make resources more accessible to you we are now offering a die cutting service. You supply the materials, we'll supply the time!

We have a variety of patterns including: letters, numbers, book templates, puzzle templates, dinosaurs, people and more. The accucut roller will cut paper, felt, foam and fabric of various thicknesses.

Look at our selection of patterns on our website www.ecdsc.nscC.ca- Cumberland page, record the pattern and amount on this order form, send the order form along with your supplies to us and we will return the cut outs to you!
